

Ventyx Biosciences to Participate in Two Upcoming Investor Conferences

August 30, 2023

SAN DIEGO, Aug. 30, 2023 (GLOBE NEWSWIRE) -- Ventyx Biosciences, Inc. (Nasdaq: VTYX) ("Ventyx"), a clinical-stage biopharmaceutical company focused on advancing novel oral therapies that address a broad range of inflammatory diseases with significant unmet medical need, today announced that Company executives will participate in the following upcoming investor conferences:

- **Event: 2023 Wells Fargo Healthcare Conference**

Location: Boston, MA

Date: Thursday, September 7, 2023

Time: 2:15 PM ET

- **Event: Morgan Stanley 21st Annual Global Healthcare Conference**

Location: New York, NY

Date: Wednesday, September 13, 2023

Time: 8:50 AM ET

A webcast of each event will be available in the Investors and News section of the Ventyx website at www.ventyxbio.com. A webcast replay will also be available on this website shortly after conclusion of the event for thirty days.

About Ventyx Biosciences

Ventyx is a clinical-stage biopharmaceutical company focused on developing innovative oral medicines for patients living with autoimmune and inflammatory disorders. We believe our ability to efficiently discover and develop differentiated drug candidates will allow us to address important unmet medical need with novel oral therapies that can shift immunology markets from injectable to oral drugs. Our current pipeline includes internally discovered clinical programs targeting TYK2, S1P1R and NLRP3, positioning us to become a leader in the development of oral immunology therapies. Ventyx is headquartered in San Diego, California. For more information about Ventyx, please visit www.ventyxbio.com.
